

PACIFICA SONG

We sing our song, our song of PACIFICA
We come from Islands, both near and far
To build our homes in Aotearoa
Our hopes and dreams are in this land.

We come from Tokelau, Niue and Samoa
Cook Islands, Tahiti, Fiji and Tonga too
We come together to help one another
To reach all the aims of PACIFICA.

PACIFICA - Inspiring Faith
PACIFICA - Concern for all
Our hearts lift high, in unity
By love we live, in harmony

We come from Tokelau, Niue and Samoa
Cook Islands, Tahiti, Fiji and Tonga too
We come together, to help one another
To reach all the aims of PACIFICA

PACIFICA, PACIFICA, PACIFICA, PA-CI-FI-CA

*Composed by Eleitino Patricia Walker
